

COMMUNITY SAFETY FORM

Dear Parishioner,

The St. George Community is implementing an automated notification system to inform our congregation of emergency cancellations, meetings, events, etc. Those of you who have children in school and who have recently been notified of school closings via automated messages are familiar with this system. We are going to implement the same system through the "Community Safe" organization. A complete description of the system can be obtained by visiting their website at www.communitysafe.com. Rest assured that each parishioner's contact information will be kept confidential and lists will not be "sold" or offered for solicitation.

We anticipate including **all** our members in the notification system for emergency closings and cancellations **unless you "Opt out"**. We are entitled to two phone numbers and one e-mail for each of our members.

If you wish TO BE INCLUDED IN THE NOTIFICATION SYSTEM and the church has your current contact information, you DO NOT HAVE TO RESPOND TO THIS LETTER.

If you wish to OPT OUT of the notification system, or wish to be contacted for specific committee meetings and events, please take the time to provide the information requested below and return it to the Church Office in person, mail or fax, so that we can tailor the system:
